

## Maths

In maths, we will be looking at:

- **Numbers to 10**- Finding patterns, estimating and ordering, addition and subtraction.
- **Numbers to 20**- Making 10 and some more, estimating and ordering, 1 more or less, doubling and halving, odd and even numbers.
- **Geometry**- Positional language (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, on top, between, under and inside) Names and properties of 2D and 3D shapes.

## PE

- Working cooperatively with others.
- Communicating clearly and listening to their teammates.
- Solving problems and thinking of different ways to complete challenges.
- Showing resilience and perseverance when activities are difficult.
- Encouraging and supporting others in their team.
- Developing confidence, teamwork and leadership skills.

## Geography/ History

Our topic this half term is 'All About Me'

- Learning about how we grow and change from babies to children.
- Understanding the difference between the past and the present and order events.
- Comparing toys from the past and toys today, identifying similarities and differences.
- Exploring how school life has changed over time.
- Learning about families and different generations.

## RE

Judaism: Why is learning to do good deeds so important to Jewish people?

## PSHE and British Values

What is the same and different about us?

## **Willow Class (Year 1)**

Autumn 1

All About me

This half term we will...

## Science

We are looking at materials in our science lessons this half-term. During our lessons, we will be looking at the following areas:

- Distinguish between an object and the material from which it is made.
- Identify and name a variety of materials.
- Compare and group materials based on physical properties.

As part of our science lessons, we will complete a range of practical investigations and research.

## Literacy

In Writing, we will be focussing on:

- Writing labels, lists and captions.
- Poetry- building vocabulary and rhyming couplets.
- A recount of an activity which has taken place.

## Grammar focus

- Capital letters, full stops and question marks.

## Reading

- Daily guided reading lessons in small groups. 1:1 reading once weekly and we will share stories and texts during the day.

## Computing

- We will be learning to log onto the computers safely.
- We will learn how to use Purple Mash to group, sort and use pictograms.
- Use Numbots to support our maths learning.

## Music

- Listening and appraising.
- Composing and performing.

## Art and DT

- Exploring and using different types of lines and marks.
- Developing pencil control and drawing skills.
- Learning to look carefully and use observational drawing.
- Creating self-portraits, adding individual details.
