Maths

In maths, we will be learning to:

- Add and subtract one-digit and two-digit numbers to 20, including zero.
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- Read and write numbers from 1 to 20 in numerals and words.
- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of equal to, more than, less than (fewer), most, least

PE

- Working cooperatively with others.
- Communicating clearly and listening to their teammates.
- Showing resilience and perseverance when activities are difficult.
- To understand actions can be linked to create a dance.
- To develop balance, strength, flexibility and coordination.

Geography/ History

Our topic this half term is 'All Around the World'. Children will be looking at:

- Our planet, learning about the difference between land and water, the seven continents and five oceans.
- Discover where the United Kingdom is located and learn about its four home nations.
- Explore hot and cold places around the world, including the Equator and the North and South Poles, and investigate how different animals live in different habitats.

RE

Christianity- Why does Christmas matter to Christians?

PSHE and British Values

How do we keep ourselves healthy and safe?

Willow Class (Year 1)

Autumn 2

All Around the World

This half term we will...

Science

We are continuing to look at materials in our science lessons this half-term. During our lessons, we will be looking at the following areas:

- Distinguish between dull and shiny, waterproof and non-waterproof, floating and sinking, absorbent and non-absorbent.
- Identify which material is most suited/appropriate for different

As part of our science lessons, we will complete a range of practical investigations and research.

Literacy

In Writing, we will be focussing on:

- Writing a fairy tale/ traditional tale.
- Poetry- building vocabulary and writing a list poem.
- Writing a recipe.

Grammar focus

- Capital letters, full stops and question marks.

Reading

- Daily guided reading lessons in small groups. 1:1 reading once weekly and we will share stories and texts during the day.

Computing

- We will learn how to use Purple Mash to group, sort and use pictograms.
- To understand that data is information that can be collected and used.
- To group items using a computer.
- Use Numbots to support our maths learning.

Music

- Listening and appraising.
- Composing and performing.

Art and DT

- Exploring and using different types of lines and marks.
- Developing pencil control and drawing skills.
- Replicate artwork from other countries around the world.
